ACTIVITY # 18 / 101 - FOLLOW ME

icHistory.com

How it works : Complete after ranking activity?

- 1: Select 6 students - assign each, one of the barriers to medical advancement c 1250. Allow them time to prepare an argument demonstrating why their cause was most important.
- 2 : Present a concise opening argument to the class.
- 3 : Students then join / follow their cause of choice.
- 4: Continue the debate allowing all students to contribute once they follow a cause.
- 5 : Students can switch at any time.
6. Wrap up and rank the outcome.

Suggestions

Teacher to join / help the person with least followers
