Main reasons summary as to how / why Hitler Became German Chancellor in 1933.

The Nazis had enough seats to cripple the Reichstag - and with it German democracy. **1**

None of the chancellors had enough support in the Reichstag - they needed the Nazis. **2**

Hitler benefited from the rivalry between Schleicher + Papen - who underestimated Hitler. **3**

Hitler wrote a public letter, flattering Hindenburg. Rich industrialists also pushed for his appointment. **4**
