The term right-wing and left-wing is said to have its origins in the French Revolution of 1789. This revolution saw the overthrow of the existing right-wing monarchy. In the French chamber building the conservatives (the people who wanted to keep the rule of the king) sat to the RIGHT of the speaker whilst the radicals (those who wanted change and handing of power to the people) sat on the LEFT side.

1: Using what you have learned about the political spectrum, add one of the following political ideologies to the description. Communism, Socialism, Liberalism, Capitalism, Conservatism, Fascism, Corrupted Communism.

2 - Write your own ‘two cows example’ for anarchism or you may prefer to draw a diagram.

3 - Consider which of the ideology YOU think is the best.

4 - Could you place your school into one of these ideologies?
Activity: Shrinking Map Debate

Preparation:
Print / laminate the 6 ideologies on the following pages. (Probably best not to include anarchism!)
Select 6 ‘Captains’ one for each ideology. They should prepare to defend their ideology for the following lesson and prepare to attack the other ideologies ...

The Debate ... suggestions only.
Round 1: Captains launch their initial pitch / main reason to promote their ideology = 1 minute.
After round 1, remaining students can choose to join any ideology OR wait until round 2.
Round 2: A second short pitch to promote their ideology = 45 seconds.
All student must now choose an ideology and are now active in the debate.
Round 3: A chance to attack another ideology = 45 seconds.
Round 4: Question / response from one ideology to another.
After allowing students to move—eliminate the ideology with the lowest number of students.
The broken team must join other ideologies.
Round 5: Open round (6 way debate)
After allowing students to move—eliminate the ideology with the lowest number of students.
Continue as you see fit - add more rounds - reduce to two teams?
Notes: allow a couple of minutes preparation between each round and encourage students to move:
Students can change multiple times but captains must stay.

Political Ideologies.

Battle Royale ...
BATTLE ROYALE: political ideologies.

Aim: to explain, understand, discuss and evaluate 6 political ideologies.

Activity set up and guidance .... suggestions only, adapt to suit your teaching and learning style.

Basic Version
- sort the students into 6 teams and assign each one of 6 political ideologies. You will also need a team of 4-6 ‘Judges’
- there is an option to use the ‘blind pick’ option for this - notes below.
- explain that the activity consists of 10 rounds as shown on the following material. You may wish to reduce / skip some of the rounds.
- allow students time (1-2 lessons plus homework) to prepare for the activity.

Braver Version
- print and cut the role cards that follow - (you may need to print extra conscripts).
- all students blind pick one of the four roles; Captain, Reinforcement, Conscript, Judge.
- then ... Captains + their Reinforcement draw one of the six power cards. The team with the PRIME card (if used) selects 1 or 2 Conscripts.
- then ... the rest of the Conscripts are assigned to a team.

Eliminations
- there is an option to run anonymous elimination votes. This adds a sense of competition / drama. It also allows for teams that are not well prepared to be removed from the activity. Note, ‘Mercy Card’ can be used to save well prepared teams.

Blind pick roles option: cut out draw out from box / bag.
Jobs for the Judges: suggestions ...

**Task 1**
Choose a Chief Justice
This person will have the final say on the Mercy Card and ensure the judges are prepared for the question round. The Chief Justice will also announce the 1st, 2nd and 3rd placings at the end of the activity.

**Task 2**
Choose a Timekeeper
This person’s role is keep any eye on timed rounds and notify when time is up!

**Task 3**
Choose a Chairperson.
This person’s role is to help keep track of the activity. Which round? Which team is next? ... etc.

**Task 4**
Choose a ‘bagman’ if using the elimination option.
Their role is to take in, count and announce the vote totals.

**Task 5**
Consider any possible improvements to the activity.

**Task 6**
Create a list of sensible questions for the Judges Q and A / Round 5. These questions should be fair, balanced and of an equal number E.g. 3 for each ideology?
